## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments, see page 6, lines 18-26 of Amendment, filed 5/13/05, with respect to claims 11-15 have been fully considered and are persuasive. The rejections of claims 11-15 have been withdrawn.

### ***Reasons for Allowance***

2. Claims 11-15 are allowed over the prior art of record. Claims 11-15 are renumbered as 1-5 respectively.

3. The prior art fails to anticipate or render obvious the specific combination "a video processing apparatus comprising a character data generating means for generating a character data concerning control of said video data, a display means for displaying a picture of the video data stored in said storage means and the character data generated by said character data generating means, and a printing means for printing said picture displayed on said display means based on said character data, wherein, said picture and said character are displayed on said display means, said character is displayed with being rotated relative to said picture" as claimed in independent claim 11.

### ***Conclusion***

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
